# NATIONAL AHEC SCHOLARS

The National AHEC Scholars program will provide you with experiences beyond the classroom through rural rotations, interdisciplinary learning and financial assistance. West Texas AHEC will award scholars at least \$800 for a two-year commitment. The program is open to all students enrolled in healthcare and pre-healthcare certificate or degree programs.

## **ELIGIBILITY:**

- Be enrolled in a health professions degree or certificate program.
- Be within last two years from program or degree completion.
- Field of study must be on AHEC list of Approved Disciplines.

**2024-2025**

**Cohort 7**

**9/1/24- 4/1/25**

## **PROGRAM REQUIREMENTS:**

- 40 Rotation hours in rural / under-served and interprofessional sites.
- Completion of 40 hour self-paced online didactic study.
- Meet all course deadlines agreed upon enrollment, to receive National AHEC Scholars Completion Certificate and Stipend payment.

Update our office of any changes in education status, address, or contract information during program duration.
