History: The Midland West Rotary Club, a club chartered in April 1962, and organized under the guidelines and precepts of Rotary International, the world's largest service organization, will grant scholarships to students who are currently enrolled at Midland College, or will be enrolling in one of the Applied Technology Programs. The Board of Directors of the Midland West Rotary Club will annually determine how many scholarships it will award each year as part of its annual budget process.

Purpose: The purpose of the Midland West Rotary Club Scholarship is to promote education and assist eligible students with the cost of tools and supplies.

Amount of Scholarship: The scholarship amount can vary from year to year as determined by the Board of the Midland West Rotary Club. This year, students will receive a \$1000 scholarship made payable to Midland College, with a memo referencing the student's name and MC student ID-pending confirmation of registration in the Career and Technology Program.

Eligibility: The applicant must be a graduating senior at Midland College in one of the Career and Technology Fields.

Diesel, Automotive, Collision, Oil & Gas, HVAC, Welding, Aviation

Selection Process: Applications for the Midland West Rotary Club Scholarship can be obtained from the Department Chair of his or her respective field of study at Midland College. These application forms, along with transcripts and any attached letters of recommendation, should be completed and mailed or emailed to the Midland West Rotary Club Scholarship Committee at the address shown at the bottom of the page. The scholarship will be awarded based on the application and an interview.
